**II. Information on organizational and legal forms of business entities**

As of September 1, 2025, out of 399.6 thousand active commercial enterprises, limited liability companies accounted for 310.3 thousand (77.7%) and rank first among enterprises by their organizational and legal form.

**Business entities**

Based on this, we can conclude that LLCs are the most common form of doing business.

| Organizational<br>and legal forms | Number of business<br>entities (units) | Share of business entities<br>(%) |

In order to create the most favorable investment climate in the country to attract direct investment, large-scale measures have been implemented to liberalize the economy, limit interference in the activities of business entities, reduce and simplify licensing and permitting procedures, ensure free access to goods (works and services), and create the necessary infrastructure in the regions. As a result, the number of enterprises with foreign investment has grown every year.

By region, the largest share of operating enterprises with foreign investment is in Tashkent city and amounts to 63.9 %, in Tashkent - 12.6 %, Samarkand - 3.7 % and Fergana - 3.4 % regions.

Over the past five years, the total number of operating enterprises with foreign investment has increased by 1.3 times, and the share of operating only foreign enterprises (from the total number) has increased from 53.4% to 75.5%.

*Enterprises and organizations with foreign investment*

As of September 1, 2025, the number of operating enterprises with foreign investment amounted to 16 946 units, of which 4 144 units are joint ventures, and 12 802 units are foreign enterprises.

The number of operating enterprises with foreign investment as of September 1, 2025 increased by 2 384 units compared to the corresponding period of 2024, due to an increase in the number of enterprises in the trade sector from 5 098 to 6 053 units (an increase of 955 units), industry - from 3 206 to 3 538 units (an increase of 332 units), construction from 1 055 to 1 282 units (an increase of 227 units).

#### IV. Metadata and explanations for the demography of enterprises and organizations

In accordance with the decree of the President of the Republic of Uzbekistan dated June 7, 2019 "On measures to simplify procedures for the liquidation of business entities" PF-5739, it was established that enterprises that are inactive will be excluded from the unified state register of business entities if their activities are suspended. it has not been renewed for a year. Accordingly, the state registration of business entities that had not carried out their activities for more than a year was carried out in a one-time simplified procedure.

Information on enterprises and organizations is generated based on statistical classifiers in accordance with the Resolution of the Cabinet of Ministers of the Republic of Uzbekistan dated September 28, 2022 No. 539 "On approval of regulatory legal acts concerning the maintenance of the unified state register of enterprises and organizations and the provision of public services on its basis", which is the basis for the implementation of statistical activities on maintaining registers.

Information is received in the database of the Unified State Register of Enterprises and Organizations from registration authorities through an automated system in real time.

The list of enterprises and organizations falling under the unified State register of enterprises and organizations <https://my.gov.uz/uz/service/662> it is also possible to get it from this link.

The data is generated based on the database of the State Services Center of the Ministry of Justice of the Republic of Uzbekistan as of **September 1, 2025** (excluding farms and dehqan farms).
