Ukraine	208	55	153
Japan	141	32	109

#### IV. Metadata and explanations for the demography of enterprises and organizations

Information on enterprises and organizations is generated based on statistical classifiers in accordance with the Resolution of the Cabinet of Ministers of the Republic of Uzbekistan dated September 28, 2022, No. 539, "On approval of regulatory legal acts concerning the maintenance of the unified state register of enterprises and organizations and the provision of public services on its basis", which is the basis for the implementation of statistical activities on maintaining registers.

Information is received in the database of the Unified State Register of Enterprises and Organizations from registration authorities through an automated system in real time.

The list of enterprises and organizations falling under the unified State register of enterprises and organizations <https://my.gov.uz/uz/service/662> it is also possible to get it from this link.

The data is generated based on the database of the State Services Center of the Ministry of Justice of the Republic of Uzbekistan as of **May 1, 2026** (from the register of farms and dehqan farms).
