III. Information on enterprises and organizations with foreign investments

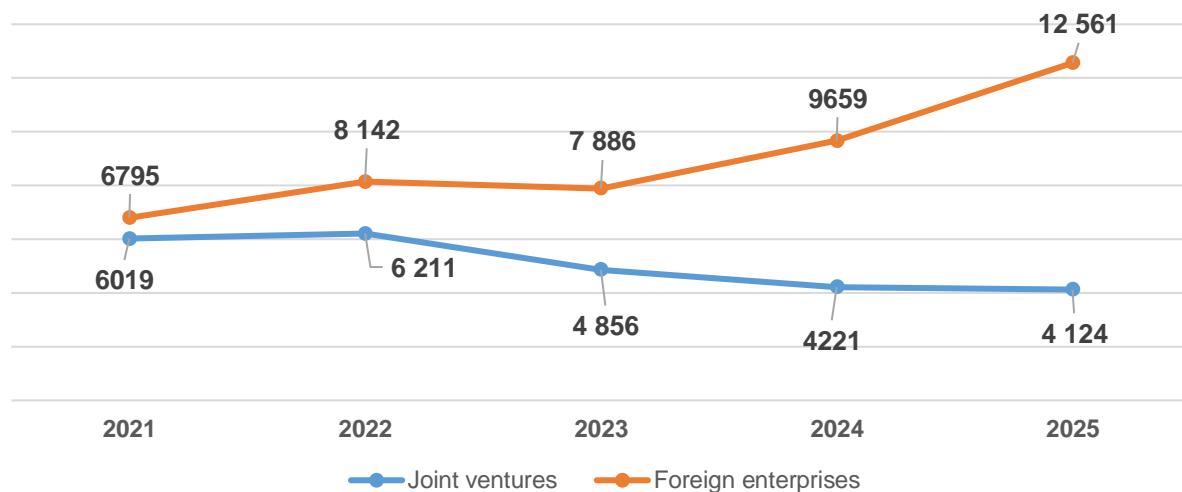

In order to create the most favorable investment climate in the country to attract direct investment, large-scale measures have been implemented to liberalize the economy, limit interference in the activities of business entities, reduce and simplify licensing and permitting procedures, ensure free access to goods (works and services), and create the necessary infrastructure in the regions. As a result, the number of enterprises with foreign investment has grown every year.

By region, the largest share of operating enterprises with foreign investment is in Tashkent city and amounts to 64.2 %, in Tashkent - 12.3 %, Samarkand - 3.7 % and Surkhandarya - 3.3 % regions.
