## II. Information on organizational and legal forms of business entities

### Business entities

As of July 1, 2026, out of 440,1 thousand active commercial enterprises, limited liability companies accounted for 351,6 thousand (79,9%) and rank first among enterprises by their organizational and legal form.

Based on this, we can conclude that limited liability companies are the most common form of doing business.

| <b>Organizational<br/>and legal forms</b> | <b>Number of business<br/>entities (units)</b> | <b>Share of business entities (%)</b> |
|-------------------------------------------|------------------------------------------------|---------------------------------------|
| limited liability companies               | 351 586                                        | 79,9                                  |
| private enterprises                       | 47 107                                         | 10,7                                  |

| Japan         | 143   | 33             | 110                 |

#### IV. Metadata and explanations for the demography of enterprises and organizations

Information on enterprises and organizations is generated based on statistical classifiers in accordance with the Resolution of the Cabinet of Ministers of the Republic of Uzbekistan dated September 28, 2022, No. 539, "On approval of regulatory legal acts concerning the maintenance of the unified state register of enterprises and organizations and the provision of public services on its basis", which is the basis for the implementation of statistical activities on maintaining registers.

Information is received in the database of the Unified State Register of Enterprises and Organizations from registration authorities through an automated system in real time.

The list of enterprises and organizations falling under the unified State register of enterprises and organizations <https://my.gov.uz/uz/service/662> it is also possible to get it from this link.

The data is generated based on the database of the State Services Center of the Ministry of Justice of the Republic of Uzbekistan as of July 1, 2026 (from the register of farms and dehqan farms).
