

Activities of organizations included in the special economic zones, small industrial zones, technology parks and clusters in the Republic of Uzbekistan

In January-September 2020, there were 18 special economic zones (hereinafter referred to as SEZ), 76 directorates of small industrial zones (hereinafter referred to as SIZ), 4 technoparks and 397 clusters* (hereinafter referred to as clusters), which included: SEZ - 500 companies, MPZ - 1589, technoparks - 451 and clusters - 397 companies.

SEZ, SIZ, Technoparks and Clusters in January-September 2020

SEZ

The number of special economic zones are 18 units.
The number of companies included in SEZ - 500 units.

SIZ

The number of small industrial zones are 76 units.
The number of companies included in SIZ - 1589 units.

Technoparks

The number of technoparks are 4 units.
The number of companies included in technoparks - 451 units.

Clusters

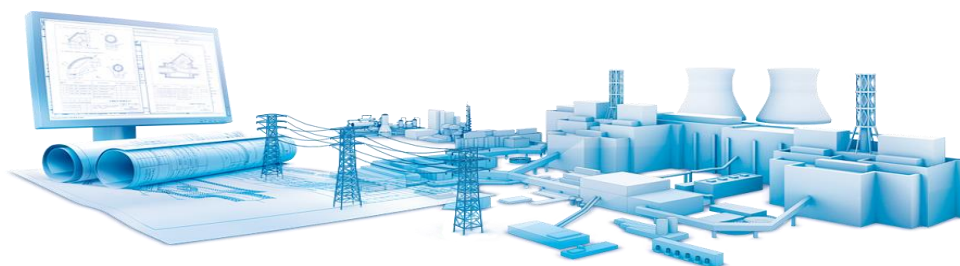

The number of clusters are 397 units.

* Clusters of all types (up to Q2 2020, only cotton-textile clusters were included here).
